## Sing Robin

```
C                        G7
Sing robin from the woodland tree
G7                   C
Sing robin sing a song for me
C                            G7
Each morning when it's calm and still
G7                   C    G6  C
You sit upon my window sill

C                       G7
I love your cheery melody
G7                   C
Sing robin sing a song for me
C                            G7
Each morning when it's calm and still
G7                   C    G6  C
You sit upon my window sill
